Eisenhower Wins Glittering Victory In New Jersey

31 DELEGATE VOTES GO TO THE GENERAL

BY BELMAN MORIN
Newark, N. J., April 16—(P)—
Gen. Dwight D. Eisenhower sound-
ly defeated Sen. Robert A. Taft
in the New Jersey primary, win-
ning at least 31 convention dele-
gates, and cutting the senator's
margin in the battle for the Re-
publican presidential nomination.
Eisenhower's edge over Taft in
the preferential vote was moving
toward the 140,000 mark today.
The count, lacking 272 election
districts out of 3,840, showed:
Eisenhower—339,589.
Taft—204,506.
Harold E. Stassen—19,819.
Thus, Eisenhower received about
0 per cent of the vote; Taft 37
per cent, and Stassen 3 per cent.
The Democratic election was a
near-miss exhibition. Sen. Estes
Lefauver, the only entrant in the
referential vote, had nearly 140-
000 votes, with 458 districts mis-
sing.

FIRST CONTINGENT OF 28TH DUE THURSDAY

New York, April 16—(P)—The
first contingent of Pennsylvania
troops sent overseas last Novem-
ber, the 28th Division is due home
this week under the Army's rota-
tion plan.
The defense department an-
nounced yesterday that a total of
40 Keystone state men will ar-
rive Thursday and Friday aboard
a transport Gen. Darby and Gen.
Lessey. The men are being re-
leased under individual orders and
do not belong to any single unit.
Their names and hometowns
have not been released by the
army.
The troops are expected to go
on the New York port of em-
barcation to Camp Kilmer, N. J.,
for processing and then to Indi-
anapolis, Pa., for discharge.
The men are the first large
group of 28th Division members
to be returned since the division
overseas to join Gen. Dwight
Eisenhower's NATO Army. The
division, the Pennsylvania Nation-
al Guard, was federalized in 1950.

Pennsylvania Farms Need 40,000 Season Workers for Crops

By JOHN DIETRICK
Harrisburg, April 16—(P)—
Pennsylvania farmers will need
more than 40,000 seasonal workers
to harvest crops this year.
Of this number, about 28,000 are
needed to be recruited within
Pennsylvania. The remainder will
have to be brought in from out-
side the state.
The state employment service
today it hopes to recruit some
100 of the needed out-of-state
workers from southern states. The
remaining 6,000 probably will be
brought from Puerto Rico.
Florida will furnish the bulk of
the southern workers. The em-
ployment service is already start-
ing to interview some 200 work-
ers in Florida through facili-
ties of the employment service of
that state.

NE INVALID FOR SPEEDING IN CHAIR

Brighton, England, April 16—(P)—
Joseph Griffin was fined one
pound (\$2.50) today for speeding
in Brighton's streets in his mo-
torized invalid chair.
Griffin's wheel-chair with a mo-
tor attached was caught breezing
at 41 miles an hour after hav-
ing two automobiles. The de-
vice limit for invalid chairs is
miles an hour.
The police superintendent ex-
pressed regret at bringing up the
case but said his headquarters was
flooded with many complaints of
speeding invalid chairs which
return easily and were a danger
to other road users.

Grand Exalted Ruler of Elks To Be Guest Here Wednesday; Plan Big Parade on June 14th

At the meeting of Warren Lodge No. 223, E. P. O. Elks held last evening at eight o'clock with John G. MacDonald, new exalted ruler, presiding for the first time, announcement was made that Grand Exalted Ruler Howard R. Davis of Williamsport, will be entertained at a reception at the Elks club next Wednesday after-
noon from 4:30 until 6:00 o'clock. Members will call to greet the

Jaycees Will Name Directors Tonight; Officers in May

The regular monthly meeting of the Warren Junior Chamber of Commerce will be held Wednesday evening at eight o'clock at the Y. M. C. A.
Since the membership has been increased to 155, a large turnout is expected. The highlight of the evening will be the nomination of candidates to fill the six vacancies on the Board of Directors. The total Board of Directors consists of eleven men. In May, the Jaycees will elect their Board of Directors and the board in turn will elect its officers for the coming year.
The Warren Jaycees have been informed by the state president, Joseph Davidson, that Warren has eight delegate votes for the state convention. This is being held in York, May 2nd and 3rd. The Warren Jaycees have no candidates running for a state office this year. Eight delegates will attend the state convention from Warren: Harry E. Schmidt, president; Milton Dahlke, vice president; Ross Ruhlman, Jr., secretary; Willis Tiekner, treasurer; Robert Johnson and Fred Thompson. Two more delegates will be chosen at the Wednesday night meeting.
Reports on the Safety Committee, Fourth of July celebration and the Ringling Brothers Circus will be made to the membership. Plans for the annual installation of officers and dinner dance in June will be discussed and chairmen appointed.

'NO PROGRESS' IN PHONE SETTLEMENT

New York, April 16—(P)—An all-night, all-out federal mediation huddle with union and management representatives was adjourned early today with "no progress" reported in the key telephone strike in 43 states.
But federal mediator Francis L. Maher told newsmen that the parties will resume talks at 2 p. m. (EST). He did not give details of the negotiations.
A spokesman for the mediators later said that "all parties were exhausted and x x the best thing we could possibly do is to allow both sides to get some sleep."
Neither company nor union officials would comment.

PENNSYLVANIAN DIES IN BOMBER CRASH

Spokane, April 16—(P)—One Pennsylvanian was killed and another was one of two survivors of the crew of a B-25 bomber which crashed while taking off yesterday. Fifteen persons were killed, including 2nd Lt. John K. Knaub, son of Jacob Knaub, R. D. 1, Marysville, Pa.
The victim's wife, Mary, lives in Spokane.
Capt. James Breedlove, son of Mrs. Queen Breedlove, Donora, Pa., was injured in the crash. His condition was described as not critical.

McKEESPORT MAN TO HEAD OIL CITY BANK

Oil City, April 16—(P)—Richard H. Wells is new president of the Oil City Trust Co. He also is member of the board.
Wells, a vice president of the People's Union Bank at McKeesport, succeeds A. E. McIntosh who was named board chairman.
FIRMS RELEASED
Washington, April 16—(P)—Seven Pennsylvania firms are included on a list of steel companies released either wholly or in part by the government in an order issued by Secretary of Commerce Sawyer.
The firms were among 71 in the steel industry taken over to avert a strike last week.

INTEREST-FREE BANK HAS 60TH BIRTHDAY

New York, April 16—(P)—A bank that lends money free, and has never turned away an applicant for a loan, is celebrating its 60th birthday—with a loss record of less than 1/4 of one per cent.
The Hebrew Free Loan Society on New York's lower East Side lends up to \$500 for six months to anyone who can get endorsements from two reputable business men.
It has loaned 40 million dollars in its 60 years, paying operating expenses from private contributions. Many of these come from former borrowers.
The 725,000 persons to whom it has loaned money include the ill, the unemployed, students, former convicts, bankrupts and refugees. They were asked only for name, address and occupation.

"I LIKE IKE"—Casting his ballot in the New Jersey Primary, Gov. Alfred Driscoll of New Jersey votes in his hometown of Haddonfield. Driscoll started a GOP family fight recently when he announced that he was supporting Gen. Dwight D. Eisenhower in preference to Sen. Robert A. Taft.

Franklin Police Chief Sues 19 Ministers for \$100,000 In Libel and Slander Allegation

Franklin, Pa., April 16—(P)—Francis M. Sheffer, Franklin police chief, charges 19 ministers with the Franklin Ministerial Association slandered him and asks the Venango county court for \$100,000 damages.
Sheffer made the statement yesterday in a suit filed against the ministers and the association. He accused them of libel and slander as a result of their claims that he permitted gambling.
The petition charged the police chief and others "knowingly, wilfully and unlawfully permitted the setting up, operating and maintaining of illegal slot machines, punch boards and bingo games."

Local Employment Shows 5% Increase In Past 12 Months

According to a report released today by David W. Levine, manager of the local Pennsylvania State Employment Service office, employment in Warren changed very little during March. The survey is based on data supplied by 49 major establishments in Warren county. The employment official commented that while many of the month-to-month changes are often slight, the contrast with statistics for a year ago is significant—the present job total represents an increase of five per cent over the past twelve months. He pointed out that all divisions, manufacturers, contractors, retail and wholesale trade, and the miscellaneous, indicate higher employment levels than for February, 1951.
Mr. Levine stated that there were 216 claims for Unemployment Compensation filed during the last week in March, one month ago the corresponding figure was 281. One and two years ago the totals were 131 and 500, respectively.
The local office manager observed that the labor supply in terms of work applications at the Employment Service was low, since only 182 persons are registered for jobs.
"Mr. Levine stated that resumption of construction activities will absorb a portion of the male surplus. According to employer forecasts, he said, other divisions are not likely to change significantly during the next 30 days."

Truce Negotiators Confer 20 Seconds

Munsan, April 16—(P)—Korean truce supervision negotiators took only 20 seconds today to decide they had nothing new to say on their double-barreled deadlock.
The delegates exchanged only 27 words. They agreed to meet again tomorrow. In the past six sessions, they have met for a total of only four minutes and 20 seconds.
The two sides are locked over Red nomination of Russia as a neutral trade observer and the Allied demand for a ban on the rebuilding of military airfields during an armistice.

Nice Catches Are Shown By Anglers

The first entry in the Times-Mirror Trout Contest, which opened yesterday, is listed by Ray Collins, of the Warren-Kinzua Road. Mr. Collins snagged a beautiful three-pound rainbow trout while fishing in Brown Run yesterday.
While the specimen measured 19 and one-half inches Tuesday, it had been frozen before it was brought to the Times office today for official measuring and will be listed as 18 and one-half inches, having shrunk one inch.
The Farr Sports Goods store, Prospect street, reported these large species caught on the opening day: 20 inch brown trout, Glenn Martin at Russell; 14 and one-half inch brook trout, Knott Clark at Pine Creek; and 19 and one-half inch rainbow trout, Ray Collins at Brown Run.

Pennsylvania Lists 4,770,383 Registered Voters in Advance Of Tuesday's Primary Election

Harrisburg, April 16—(P)—A total of 4,770,383 voters are registered for Pennsylvania's April 22 primary, a survey of county election bureaus showed today.
The figure represented a reduction of 103,717 from the 1951 registration, due largely to the annual check of registrants at the various county seats.
Under the state's permanent registration system, voters' names are dropped from the rolls when they fail to cast their ballots in the last two elections.
The registration figures represented reports from 66 of the state's county election bureaus. The tabulation is still incomplete in Lackawanna county.
The 1952 registration figures compared to 1951:

	1952	1951
Republican	2,860,137	2,871,566
Democrat	1,855,487	1,945,642
Others combined	54,759	56,892
Total	4,770,383	4,874,100

The registration rolls were closed on March 1 for the April primary. The rolls will be reopened again after the primary for November 4 general election, with September 13 the last day to register.
The reports from the county election bureaus showed the Democratic registration dropped 90,155 from the 1951 total while the Republican enrollment fell 11,429.

Big Bombers Slash Red Rail Lines 52 Places in Onslaught

By GEORGE A. MCARTHUR
Seoul, Korea, April 16—(P)—U. S. fighter-bombers today cut North Korean rail lines in 52 places, the Fifth Air Force announced.
Pilots said they killed 10 Red troops in an attack on a rail line near Sariwon, north of Haeju on North Korea's west coast, and 17 more in close support smashes along the battlefield.
The Air Force also said its planes destroyed two anti-aircraft weapons and six field pieces.
The fighter-bombers roared to the attack though heavy clouds under a protective screen of F-86 Sabre Jets.

131 SCHOOLS SEEK TOP FORENSIC HONORS

Harrisburg, April 16—(P)—Students from 131 Pennsylvania high schools will seek top state honors in music and speaking contests here April 24-26.
The 21st annual state finals of the Pennsylvania Forensic and Music League will feature 70 music and 12 speech events this year.
More than 6,000 high school students are expected to take part in the three-day program.
Elimination contests have been under way in county and district meets for the past several weeks to determine entries in the state finals. High school bands, orchestras, choruses, ensembles and soloists will participate in the competition.
In the speech division, similar elimination competitions have been carried on throughout the state in debate, oratory, radio speaking, and other speech projects.
The Forensic and Music League is sponsored by the University of Pittsburgh. It carries on a full program of speech and music activities in high schools throughout the state.
The host for the state championships this year is Harrisburg's William Penn high school. Outstanding speech and music educators will serve as judges for the events.

CONSIDER PROBLEM OF NEEDY CHILDREN

Harrisburg, April 16—(P)—What to do about Pennsylvania's dependent and neglected children will be discussed at a series of 12 hearings throughout the commonwealth during May and June.
The hearings, announced yesterday by Gov. John S. Fine, are sponsored by the governor's committee on children and youth, composed of 50 citizens prominent in the fields of health, welfare, education and recreation.
Fine said that testimony given at the sessions will be studied with a view to making recommendations for legislation next year.
The schedule:
May 7, Slippery Rock; May 8, Meadville; May 9, Ridgway; May 13, Pittsburgh; May 14, Uniontown; May 15, Hollidaysburg; May 16, Williamsport; May 20, Harrisburg; May 21, Scranton; May 22, Allentown; May 23, Collegeville, and June 4, Philadelphia.

STATE DEFENDS GAS STATION SIGN LAW

Harrisburg, April 16—(P)—The commonwealth today defended a new state law limiting the size of price signs at gas stations as a means of curbing "destructive competition."
A justice department spokesman, who declined quotation by name, said that defense would be used in replying within 10 days to a Dauphin county court suit testing constitutionality of the new law.
Charles Gambone, Norristown service station operator, filed the suit last November claiming the law was discriminatory and an "unlawful regulation of trade."

INDUSTRY TO FIGHT TRUMAN WAGE BOOSTS

BY NORMAN WALKER
Washington, April 16—(P)—The Truman administration today prepared to go over the head of the seized steel industry and give a wage boost to Philip Murray's CIO steelworkers.
Whatever the terms may be, the steel industry was ready to fight back. Its attorneys had papers already drawn seeking a court order to restrain any payment of increased wages out of industry funds.
An historic legal test was in the offing—a court fight climaxing a titanic economic struggle between one of the Nation's biggest industries and one of its biggest unions.
More than 100 of the country's leading industrialists stand behind the steel companies in a fight to the finish. They, or their representatives, pledged all-out cooperation at a meeting yesterday, called jointly by the National Association of Manufacturers and the U. S. Chamber of Commerce.
Meantime, price stabilizer Ellis Arnall had two scheduled appearances to argue for the administration's stand that the steel industry is entitled to no more than a \$3-a-ton price boost under stabilization rules.
Arnall was due to talk this afternoon to the National Press Club and later he goes before the senate labor committee. He has insisted, apparently with Truman's support, that anything beyond a \$3 boost for steel would start a new inflationary spiral.

GOOD FRUIT CROP PROMISED IN STATE

Harrisburg, April 16—(P)—A good fruit crop for 1952 is predicted by the state agriculture department on the basis of weather conditions to date.
In a weather and crop summary for the week ending yesterday, the department said some apple buds already are showing green and a few apricot trees are in bloom in the southeastern part of the state.
"Winter damage to fruit trees was light and the delayed development of buds, due to cool, wet weather, is reducing the danger of losses by freezing to a minimum," the summary said.
The department added, however, that rainfall hindered farm work and slowed the growth of vegetation in most places during the last week.
Planting for corn was delayed and much oats ground remains to be turned, the department said. Winter wheat made fair growth while the condition of winter barley was reported fair to good.

Bergman Expectant Lindstrom Asks To Keep Daughter Here

Los Angeles, April 16—(P)—"It was not my intention to fall in love and go to Italy forever. After all our plans and dreams, you know that is true. But how can I help it or change it?"
So wrote Ingrid Bergman to her first husband, Dr. Peter Lindstrom, in a letter confessing her love for Robert Rossellini, the Italian movie director.
The letter, dated April 3, 1949, was filed in court yesterday with an affidavit as Lindstrom began a fight to keep their daughter, Jenny Ann, 13, from visiting the actress in Italy this summer.
"I know how this letter falls like a bomb on our house. . . . Our future, our past, so filled with sacrifice and help on your part," Miss Bergman wrote. "And now you stand alone in the ruins and I am unable to help you."
Miss Bergman had a child, by Rossellini after she went to Italy to make a film for him. Three months later he announced they had been married by proxy in Mexico, after she had obtained a mail order divorce. Dr. Lindstrom was awarded a divorce here November 2, 1950, with the custody of Jenny Ann.
The actress had asked for Jenny Ann's visit sometime after July 1, the date she is expecting a second child by Rossellini. Superior Judge Mildred Little continued the case until June 2 and said she intends to question Jenny Ann about her feelings on the proposed visit.

Oil Producers Say Increase Is Needed For Drilling Wells

Washington, April 16—(AP)—Crude oil producers from Pennsylvania told the government a price increase is needed in the area to help offset the rising cost of drilling new wells.

An industry group said yesterday that production is dropping because of higher drilling expenses, a situation that makes it unprofitable for small producers to develop new supply sources.

Officials of the Office of Price Stabilization said they would study the situation. Pennsylvania's oil fields account for about five to six per cent of the national production.

The ceiling price now is \$4.25 for Pennsylvania crude compared with \$2.65 for average crude.

The group which visited Washington yesterday said producers probably will make a formal request to OPS for a price increase shortly.

Car in Ore Train Jumps the Tracks Near Spring Creek

One car of eastbound ore train 703 jumped the track at Spring Creek about 8:30 a. m. today, it was reported by local railroad officials. No one was injured and track damage was minor, they said.

The wreck crew from the Warren yards was dispatched to the scene at once, and morning passenger train No. 581 was held at Garland for about three hours until track repairs were made.

Yesterday, heavy snows in the area did much damage to railroad telephone and telegraph lines. On the local division, five poles were down near Ridgway and 20 wire breaks reported. From Irvine south on the River Division, many poles were down near Trunksville and 22 wire breaks reported.

A special repair train is today engaged in re-setting poles and repairing the breaks.

Yesterday, also, a special radio testing train was run through Warren for division officials to test the two-way radio system recently installed in dispatchers' towers. Local towers report first hearing the train shortly after it left Oil City, and being able to communicate with it all the way to Olean.

YOUNGSMILE CLUB HEARS WARREN MAN

James Frantz, of the United Refining Company of Warren, was the speaker for last night's meeting of Youngsmile Kiwanis Club, choosing as his subject, "Freedom." Mr. Frantz outlined life under the free-enterprise system of the United States and contrasted it with life under a dictatorship in Russia, and under socialism in England. He pointed out that this country is in danger if drifting into socialism.

The club has also undertaken to sell 50 tickets for a benefit dance at the State Hospital from which the proceeds will go to the purchase of TV sets for use of the patients at the institution.

Former High School Musicians Playing With Famous 31st Division Army Band

The famous 31st Division Band, wearing their Confederate style uniforms by special dispensation from Army higher-ups, left Fort Ord, Texas, Tuesday, en route to a permanent base at Camp Atterbury, Ind., which means that Warren young men, Cpl. Nicholas Geracimo and Pfc. Frank Wood, members of the band, will be located much nearer home.

Known as the "Dixie Band," the outfit left its base at Fort Jackson, N. C., and gave concerts across the nation to Fort Hood. Newspaper clippings reveal that at acclaim they were received what was known as Operation Whom.

When called back into the Army in February of 1951, Nik Geracimo, who is the son of Mr. and Mrs. Gust N. Geracimo, 2 Canal street, was teaching music in schools at Wheeler, Ore., and studying for his Master's degree at Columbia University during the summer. He has been serving with success as assistant leader of the band and is an accomplished violinist.

Frank Wood, graduate of Warren High school and former member of the Dragon band, masters several instruments but is playing the oboe at present. He had his own orchestra after high school days. He is the son of Mr. and Mrs. Frank Wood, 103 Willoughby avenue.

Parents of the two young musicians do not know just when they will reach Camp Atterbury as concerts will be given en route to the new base. News clippings from various papers demonstrate how well the band was entertained as it played its way across country, at church banquets, by Chambers of Commerce, other civic organizations, schools and universities. One of the important engagements played was at the Baylor, Texas, Intercollegiate Rodeo.

Turkeys were not introduced into Europe from America before 1530.

J. C. Penney Company's Jubilee Opens Thursday

Joe E. Brown, manager of J. C. Penney Company, announced today the formal opening tomorrow of the company's Golden Jubilee.

"This is a great occasion for us, a time for celebration," said Mr. Brown. "In just 50 years this company has grown from a single, tiny store in southwestern Wyoming to a great retail merchandising organization—the largest of its kind in the world—with more than 1,600 stores and 70,000 associates serving nearly 40 million people.

"That's a monumental achievement in which all of us can take pride. For where else, but in our own United States of America, could such an achievement be possible? In the words inscribed on our medallion, the Penney Company has grown—is growing—with this nation.

"Ours is a success story, not of one man alone but of many men. Early in his career our founder, Mr. J. C. Penney, realized that he would succeed only if others found success with him. Eventually he became known as the 'man with a thousand partners'—and thereby pioneered a profit-sharing idea which contributed much to the company's success.

"Thoughtful consideration for customers, associates, suppliers and stockholders always has been a Penney Company objective; also stressed have been value and quality—a fact which led eventually to establishment of a research and testing laboratory to make sure Penney merchandise standards would be consistently met and maintained.

"Today the company has a staff of 206 buyers, highly trained and alert to people's needs, combing the merchandise markets of the world. All are specialists, in fields ranging from women's fashions to boys' jeans; from blankets to work shoes; from hosiery to infants' wear. And all have the responsibility and determination to

see that Penney stores have the merchandise people need at prices they can afford to pay.

"As our Jubilee gets underway we believe our customers will benefit more than ever by the great values that have been planned for them. All the accumulated experience and 'know-how' of 50 years of successful merchandising have been brought into play to see that for our customers, as well as ourselves, this will truly be a 'golden year'."

Summer Stock To Be Presented Here During the Season

Summer stock presented by the Arena Theater will be seen in Warren for the first time this summer according to a spokesman this morning for a local group of young people who will sponsor the theater as a community project.

The group expects to announce the director and other personnel within the next week. At the present time, it is concerned with finding a suitable place to stage the productions.

The success of the summer stock program will largely depend on the public support of a pre-season membership campaign.

College students home for the summer on vacation and high school students interested in acting, as well as adults, will be especially invited to take part in the venture which will become an annual project if proved successful this summer.

Several places in Warren are under consideration for the Arena Theater plays and the locale will be selected probably later this week. The membership campaign has been set tentatively for the middle of May with the first show dates about July 8th.

SUPPORT THE CANCER CRUSADE!

The Warren County Unit of the American Cancer Society, sponsored by the Warren Business and Professional Women's Club, reports that a total of \$1,133 has been raised toward the quota of \$5,000, which means that some intensive work will have to be done during the remainder of the month if the goal is to be reached.

There are many pertinent facts in connection with the work of the society not generally known to the public. Outstanding among these is the Cancer loan closet, located at the society's office, in the Red Cross building, 404 Market street, which is maintained by the Warren county unit of the American Cancer Society. Dr. William S. Walters is chairman of the service committee and Miss Margaret Lupold, R. N., is in charge of the closet. Miss Mayme Marsh, office secretary, is in the office daily (except Saturday) from 1:30 to 4:30 p. m.

It is not generally known that there is on hand for use of cancer patients three hospital beds complete with sideboards, plastic mattress covers, rubber draw sheets, sheets, pads, etc. Also all other necessary articles of sickroom equipment such as gauze and cellulose pads, bed pans, wash basins, alcohol, disposable pads, air rings, etc. There is no rental fee for this equipment and transportation will be paid for them if the patient is unable to do so.

A few of the following other services available through the Cancer Society are the following:

The local office will pay for narcotics or any form of sedation prescribed by a physician, and will furnish syringes and needles for injection.

The local office will pay for transportation of a cancer patient to and from the hospital, or from Warren to a clinic or hospital elsewhere. Treatment will not be paid for.

The local office will make available to interested groups the film "Breast Self-Examination," and arrangement will be made for a doctor to be present at the showings to answer questions, etc.

Naturally it has been impossible for those in charge of the fund drive to reach all county residents through the Cancer Crusade mailing campaign. If you haven't received a request for a contribution through the mail, the plea is made that you send your contribution, using the coupon form appearing on another page of this issue - - - or simply slip it into an envelope addressed "Cancer, c/o Post Office, Warren, Pennsylvania," and it will reach its destination.

STATE FINANCES

Gov. Fine has advised Francis J. Chesterman, chairman of his "Little Hoover" committee, that, regardless of planned governmental economies, the 1953 Legislature will have to find \$136,000,000 in new state revenue. Present state services will cost more and increased fixed charges must be met.

The "Little Hoover" committee's function is to determine how programs dictated by the legislature can be administered more economically and efficiently. It is not the function of an outside body to determine policy.

As the Meadville Tribune-Republican says "substantial savings cannot be made through operational economy alone. The lawmakers must revise their thinking and curtail some of the programs they have approved. We have no doubt that \$136,000,000 will be needed to finance additional costs of state government. But there is good reason to examine the services provided and to reassess their need and value."

It is sincerely hoped that no time will be lost in locating some air-minded individual to take over as manager of the municipal airport, considered by progressive citizens as one of the important public assets of the community.

We're in favor of turning over to all seeds planted in home gardens the old slogan, "Watch Us Grow."

More and more politicians will be hopping on the band wagon—and watch out for a lot of sour notes!

Here And There

We have another of those letters from Nigeria, British West Africa, soliciting our help in securing pen pals in this area. It comes from "Young" Ezekiel A. Omo-Folowoshe, No. H-78, Ito St., Desha, Nigeria, B. W. A., and is dated March 4, 1952. It says:

"To Ed Lowrey, Editor, Warren, Pennsylvania. The editor, I shall be grateful if your generosity and good will help me in publishing my name in your Daily Mirror as one needing a friend. I am 18 years of age, I am good in sports, and I have a keen appetite for saying, my hobbies are to me as food is to life. Such as, coconut, animal skins, ground-nut and some others, etc. If you want good, loyal friend in Nigeria write to me now. Boys, girls and some other persons or particular school boys and girls. In case I am favorably considered I promise to be loyal and grateful to your good service. My full address is at the top of the letter and on the back of it. Thanks and greeting, I am yours very faithfully."

"Young" E. O. Omo-Folowoshe. N. E. Urgently reply, sir!

From Harry Johnston we receive a letter that contains much of interest about his visit to St. Petersburg, Fla., April 10th, to help William Muir observe his 101st birthday anniversary. Excerpts from the letter follow:

Dear Ed: Last Monday morning we pulled out for St. Petersburg, Fla., to visit the Grand Old Man from Warren, Bro. William Muir, for his 101st birthday, April 10th. We arrived in Tampa about 5:30 p. m., and knowing that he retired at six p. m., we spent the night in Tampa. When we arrived Tuesday morning Miss Eva told us he was up and dressed early, all ready to receive us on arrival. While he has slowed up in action since we last saw him he was up on his feet with a glad hand and a real hug; said we would never know how much our visit meant to him, and believe me his mind is

alert, he enjoys a good laugh at a joke and he has a lot of levity all his own.

We took advantage of our being there to call on F. X. Miller and wife, Herb Onions and wife, and Frank Haggerty. We called on Fred Hartman four times but did not catch them at home, and we also failed to contact Harry Reed and Pete Hedges.

Greetings from Warren Lodge No. 39, IOOF, arrived at the Muir home while we were there and it was signed by all the officers and a long list of the members. The lodge has made arrangements with St. Petersburg Lodge to present the 80th year membership jewel to Mr. Muir and we received a pressing invitation to be there for the presentation. We are going to try and run down for the occasion, and may have a small part in the ceremony.

The Times-Mirror is arriving every day and we want to thank you for the extra copies of March 5th.

Kindest regards and best wishes. Signed Eunice and Harry.

The mall bag had more than the usual number of letters of interest to readers of this column. Here's another pertaining to the suggestion carried here recently about a summer theatre:

"Dear Sir: It was encouraging to read in 'Here and There' the other day about the four couples who discussed a summer theatre for Warren. In addition to providing a showcase for the talents of many young people, it would provide an entertainment source for the many people who actively support the Players, the High School plays, the JC concert-series, et al during the fall and winter. Wholehearted support should be given these folks who are willing to work so hard at a time when most of us like to take it easy. With the magnificent Fourth of July celebration, the Ringling Bros. Barnum & Bailey Circus setting the pace for summertime entertainment and spectacle—summer theatre would round out the picture beautifully. Sincerely, Mrs. Abe Schwartz."

There's a lot of indignation in our county over the corruption and loose handling of money in Washington. To be honest, though, it's sort of divided. A majority are mad clear through about the crookedness and then some others are not so much stirred up over all the money that's being thrown around as they are over not knowing how to get any of it. © NEA

IN TRAINING—Pvt. Roland O. Carlson, son of Mr. and Mrs. Harold O. Carlson, Sugar Grove, has arrived at Camp Breckenridge, Ky., for training with the 101st Airborne Division. The 22-year-old youth was employed at Struthers Wells, Warren, before he was drafted on January 21, 1952.

Officers Installed At Meeting of Local Odd Fellows Lodge

The semi-annual installation of new officers took place at the weekly meeting of Warren Lodge No. 339, I. O. O. F., held last evening, with District Deputy Grand Master Ralph Knupp and staff in charge. Perry McDannel was elevated to the station of noble grand and the other elective officers installed were: Virgil Palmer, vice grand; Wayne Russ, warden; Richard Moll, recording secretary; Howard VanOrsdale, financial secretary; Grover Lind, treasurer.

Appointive officers installed were as follows: Clarence Loney and Milton Witz, supporters to noble grand; Marshall Gern, conductor; Harold Sigworth, chaplain; Ralph Davis and Emerson Telder, supporters to the vice grand; Ray Olson, inner guard; Tom Brown, outer guard; Ralph VanOrd and James McGuire, scene supporters.

District Deputy Knupp was presented with a jewel by members of his staff, and he responded with congratulations to members of the lodge and thanks to his staff. District Deputy Grand Marshall Howard Kinkadee also spoke briefly on the accomplishments of the installation team.

The installing officer was assisted by the following: Ralph Davis, grand warden; Howard Putnam, grand recording secretary; Blackraft, grand secretary; Clarence Loney, grand treasurer; Harold Wilmer, grand chaplain; Ray Olson, grand guardian; William Lohrer, grand herald; Howard Kinkadee, grand marshal.

Following the meeting a luncheon was served and social time enjoyed.

REVIVAL MEETING

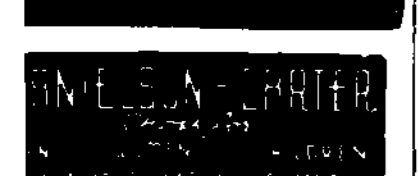

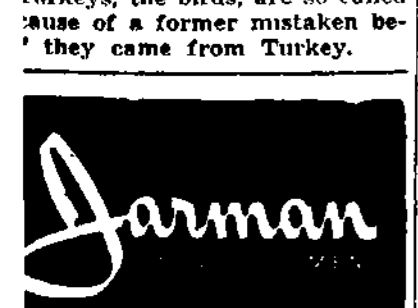

A roll call last night of the communities within a 20-mile radius of Warren revealed there were delegations from most of them at the first for Warren campaign being conducted nightly in the First Evangelical United Brethren church.

Evangelist Barbee, speaking on "Flaming Fools," said that the section "Where Is the Lord God 'Elijah?'" is a very modern one. Referring to the men of the early church, he said that they did not possess the word of the Gospel, but at the word possessed them, they did not help but speak. Quoting on prominent men in American history, America's greatest need is spiritual revival.

Historians today are saying that the elements of moral decay at brought down the civilizations the past are prominent in the western world today. Communism, its advancement make it conceivable, for the first time in thirteen centuries since Charles Martel feated the forces of Mohammedanism, that Christianity may be even back to the catacombs. But in the days of darkness has awared with a revival of spiritual awakening.

"The Most Dangerous Christian the Bible" will be the topic for an evening's message. Hundreds of people, representing all of the churches of Warren and the surrounding areas, are expressing appreciation for the ministry of Rev. Barbee, and also the fine music of Mr. and Mrs. Wal-treadway. Warren's Christian singness Men are on hand to extend a hearty welcome to Warren's blic.

Turkeys, the birds, are so called because of a former mistaken belief they came from Turkey.

Newport News Girl Becomes Bride of William Paris Hunter in Church Rite

First Presbyterian church of Newport News, Va., was the scene of a pretty wedding Thursday, April 10, when Margaret Elizabeth, daughter of Mrs. George Stanaway and the late Mr. Stanaway, of that place, became the bride of William Paris Hunter, son of Mr. and Mrs. Donald W. Hunter, 127 Jackson street, North Warren.

The five o'clock ceremony was performed by the Rev. Paul K. Buckles against a simple setting of palms, pink and white mixed flowers and candelabra holding pink tapers. Wedding music was by Mrs. R. L. Cofen, organist, and Charles Kincaid, vocalist.

Given in marriage, by her brother, G. Victor Stanaway, the bride wore pink taffeta and net, with veil of matching illusion net falling from a seed pearl tiara. White cymbidium orchids showed with pink and white sweet peas topped her Bible. Complementing the neckline of her gown's scalloped yoke was the pearl necklace which the elder Mrs. Stanaway wore on her wedding day.

Her sister and matron of honor, Mrs. J. E. Siscoff, wore pale green lace and net, with matching cape, and carried mixed spring flowers tied with yellow ribbons. Her floral headpiece matched her bouquet and elbow gloves were of green net. Beverly Lee White,

junior bridesmaid, wore lilac celanese over taffeta, with lace bodice. Her headpiece matched a bouquet tied with pink ribbons and her gloves matched her frock.

Donald Alan Hunter, North Warren, was his brother's best man and ushers were Earl J. White and Cecil E. Woolard, Newport News.

The bride's mother, wearing navy crepe, had pink accessories and matching cymbidium orchids; Mrs. Hunter had white carnations with a royal blue dress and black accessories. Mrs. O. L. Beatty, Newport News, was mistress of ceremonies.

The reception of 100 guests followed immediately in the church parlors, those present from away including Mr. and Mrs. Donald W. Hunter, Donald Alan Hunter, and Mrs. Marie Greenwalt, North Warren; Mrs. Ray Elsholz, Buffalo, and Sherwood Greenwalt, Norfolk. Centering the bride's table, a three-tiered cake was topped with a tiny bride and U. S. Air Force bridegroom. Mrs. Elsholz was at the punch bowl and Mrs. Earl White, Newport News, assisted at the table.

After a weekend wedding trip, the couple are at home to friends in Manchester, Conn., where the bridegroom will be employed as a senior inspector for the Pioneer Parachute Company. He is a graduate of the North Warren school, served in the Navy in World War II and, only recently, was discharged after serving with the 136th Maintenance Squadron in the Far East. His bride was graduated from Newport News High School in 1941.

Among those honoring the couple

were his parents, who gave the rehearsal party at the Stanaway home.

YW SQUARE DANCE

To open National YWCA Week, the local association has planned an old fashioned square dance to be held Friday evening in the activities building. Starting at 9:15, music will be furnished by Bill Barr and his orchestra. A small admission charge will be made and a cordial invitation is extended to the public.

STUDY CLUB

The Young Mothers Study Club held its April meeting at the home of Mrs. David Smith at Russell Monday evening. Due to the postponement of the scheduled program, a social evening of bridge and canasta was enjoyed by the group, concluding with refreshments served by Mrs. Smith and her co-hostesses, Mrs. Jerald Angove and Mrs. Wilks Tickner.

May Day Luncheon Annual Event For Missionary Unit

The Warren Council of Church Women announces that tickets have been placed on sale for its annual May Day luncheon, which will be held in First Methodist church.

Members attending the April meeting of the Council at Salem Evangelical United Brethren church were reminded of this event; also of the convention of the Pennsylvania Council of Church Women to be held in Scranton April 22-23; and of the visit of Miss Eleanor Peterson, Harrisburg, who is executive director of the women's work department of the state council and will come to Warren May 3 to confer with local officers.

First Methodist church cooperated with Salem members in entertaining this month's session and members of both parishes had a part in the program. Mrs. Carl Jones welcomed the group and Mrs. E. C. Christensen had the devotions. Mrs. Florence Stevens was accompanied by Mrs. Adelaide Swanson for two vocal numbers, "In the Garden" and "I Walked Today Where Jesus Walked."

Mrs. Jones introduced the guest speaker, Dr. S. Paul Weaver, Jamestown, whose message stressed the fact that "in this land of plenty, we are not as close to God as the privilege and opportunity has allowed us."

After the benediction by the Rev. Francis Fehman, a social hour was enjoyed and tea was served from a table presided over by Mrs. Fehman and Miss Pearl Lund.

TABITHA SOCIETY

All members and friends are invited to the regular meeting of Tabitha Sewing Society, to be held Thursday afternoon at the home of Mrs. Chris Kuhre, 7 Linwood street.

★ RUTH MILLETT ★ Get More Work Done in Less Time With Good Management

A FRIEND of mine recently started to explain why she hadn't done something, using the time-worn excuse: "I've been so busy, I just didn't get time." But she caught herself with a grin and said: "That's really no excuse at all."

"As my grandmother used to tell me when I was a little girl: 'Well you had all the time there is, all the time anybody else has, twenty-four hours in every day.'"

If we could manage somehow to impress our own children or grandchildren with that one fact, we'd give them a real boost toward successful living.

Not having the time is the way most of us excuse ourselves for not doing the things we know we should do.

We fool ourselves with the excuse and blithely hope that others will be as ready to accept it as we are.

Of course, other people aren't. And even though we excuse ourselves with the "no time" plea—we're the real losers whenever we use it.

BE STEER WITH YOURSELF

If we were stern with ourselves to the point of admitting that we have all the time anyone else does and our real problem is how to get the most out of it and accomplish the things we know are important in our allotted time, we would get so much more done.

Remember that the next time you start to excuse yourself for letting something important hang fire with the alibi that you just haven't had time to get around to it.

If you don't use your time to accomplish the things that are really important, admit you are mismanaging instead of falling back on the alibi that you just haven't had time to get to the job.

Republican Group To Have Program For April Session

A very cordial invitation is extended to all members and friends to attend the monthly meeting of the Warren County Council of Republican Women, to be held Thursday evening in the large court room at the court house. The brief business session at eight o'clock will be followed by a worth while program.

Mrs. James Ramsey will speak on "Primary Facts." Mrs. Ramsey has traveled extensively and is a popular lecturer, was associated with the League of Women Voters in Washington, D. C., and is well qualified to speak on this subject.

Entertainment will be furnished by the Four C's, Barbershop singing quartet composed of High school boys, Martin and Ronald

Carlson, Bob Cowden and James Cooney.

Mrs. Lenor Jordan will be present to take reservations from council members for the luncheon of the Northwest Regional meeting of the Northwest Regional membership meeting being held Wednesday, April 23, at the North Warren community house. It is hoped many of the council members will arrange to attend.

Refreshments will be served after the meeting by a committee of second ward ladies, with Mrs. Howard Putnam as chairman.

ALTAR SOCIETY

The regular meeting of St. Joseph's Altar Society will be held Thursday evening, with services in the church at 7:30, followed by a business meeting in the club rooms. All members are reminded they are to report on the apron project at this time. A social hour will follow and refreshments will be served by the committee.

Pre-School Group Holds Delightful Annual Election

The monthly meeting of the Pre-school Child Study Group marked the annual dinner-program of the group, with 29 members enjoying a delicious Swiss steak menu at the Pearly Willow Tea Room, Prospect street.

Table decorations were attractively carried out with yellow candles and daffodils and at each place was a program book and favor basket filled with mints. Serving as the committee for the delightful affair were Mrs. Donald McCurdy, chairman, with Mrs. Russell Templeton, Mrs. Raymond Barner and Mrs. Clayton Stoldt.

The president, Mrs. Fred Wendelboe, reported a record player and records were purchased and presented to Victor Grimaldi, son of Mr. and Mrs. Gay Grimaldi, Lansing street, North Warren, before he left for treatment at Children's Hospital in Boston, Mass.

Several members had brought snapshots of their own children and these were passed about in order that all might have an introduction to the youngsters.

A delightfully interesting talk on music for the pre-school child was given by Mrs. Eugene Cease, who illustrated with quotations from the book, "The First Five Years of Life" and two song and music books, "Fireside Folk Songs" and "My Picturebook of Songs." Concluding, she played and sang several selections from the two music books.

ROSE CIRCLE

Rose Circle members of Epworth Methodist church will meet at 2:00 p. m. Thursday at the home of Mrs. Roy Ryberg, 307 Park street, and all are asked to be in attendance.

Quick Relief from Pile Irritation

40 years ago a Buffalo druggist created an ointment to relieve itching, smarting piles. It brought such quick, cooling, soothing, astringent relief that its fame spread across the land making Peterson's Ointment a favorite in thousands of homes. Ask your druggist today for 40c box or 70c applicator tube. Peterson's Ointment delights or money back.

Mrs. Sugerman Is Elected President Of Medical Group

At the monthly meeting of the women's Auxiliary to the Warren County Medical Society, held yesterday afternoon at the YWCA activities building, Mrs. J. R. Sugerman was elected to serve as president of the group in the coming year.

Others named to serve with her are the president-elect, Mrs. R. Lowe; vice president, Mrs. Jack McKord; treasurer, Mrs. J. A. Ino; secretary, Mrs. William S. Walters.

Following the business session, Mrs. H. R. Robertson presented Mrs. Byron W. Knapp, who gave a very fine review of "Under a Lucky Star", the autobiography of Roy Chapman Andrews.

Dinner followed, with Mrs. William Ball, Mrs. F. G. Templeton and Mrs. Francis Ericsson assisting Mrs. Robertson with the arrangements.

SENECA PTA

President S. M. McClure called attention to the monthly meeting of Seneca PTA, to be held at the school this evening at eight o'clock. This meeting, he reports, takes the place of the usual entertainment for the children and will include discussion of a possible picnic for the youngsters on the last day of school. Other business will include the report of the nominating committee and plans for a tureen dinner in conjunction with the May meeting. For the program tonight, Francis Johnson, speech correction teacher, will talk of his work.

SALEM WSWWS MEETING

WSWS members of Salem Evangelical United Brethren church will hold their monthly meeting in social rooms of their church following the evangelistic service at First EUB church. All members and friends are cordially invited.

REBEKAH LODGE

Lady Warren Rebekah Lodge members will hold their regular meeting at 8:00 p. m. Friday in the lodge rooms. Last week's supper and lodge session drew a good crowd for discussion of coming activities.

Kidney Slow-Down May Bring Restless Nights

When kidney function slows down, many complaints of nagging backache, headache, dizziness and loss of pep and energy. Don't suffer restless nights with these discomforts if reduced kidney function is getting you down—due to such common causes as a strain, over-exertion or exposure to cold. Minor bladder irritations due to cold or wrong diet may cause getting up lights or frequent passages.

Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. It's amazing how many times Doan's give happy relief from these discomforts—helps the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Helium first was discovered in the spectrum of the sun. It takes its name from the Greek word "helios," meaning sun.

Ruth Davis Names Wedding Date At Tea and Shower

Miss Ruth Davis, daughter of Mrs. K. W. Davis, 12 East Third avenue, was honored guest for a beautifully appointed tea and miscellaneous shower given by Mrs. Fred L. Plummer and Mrs. Ralph E. Sires at the home of the latter, 6 Second avenue.

Miss Davis is soon to become the bride of Harold C. Smith, son of Mr. and Mrs. Harold M. Smith, Wilkesburg, and about 40 friends attending the party were told the wedding date will be June 7. The bride will observe open church for the ceremony in the First Presbyterian church. Both young people will be graduated in late May from Clarion State Teachers College.

Small Easter bunnies with umbrellas disclosed the names of the couple and the wedding date and a large rabbit centered the table at which Mrs. A. H. Anderson, Elkins, W. Va., and Mrs. Carl E. Whipple presided.

Out of town guests included Mrs. N. A. Davis and her sister, Miss Marie Agnew, Oil City; Miss Thelma Crandall, Youngsville, classmate of the bride-elect.

Girls Club Plans Springtime Dance

The High School Girls' Club will hold its spring dance, "April in Paris", from 8:30 until midnight on Saturday evening in the Y. W. C. A. activities building with the Nazario Quartet furnishing the music and refreshments served by a group of French mademoiselles.

Co-chairmen Joyce Sponser and Elizabeth Eddy report all committees in readiness for the big event. The decorating committee, consisting of Beverly Chapman, Sally Reed and Dawn Taft, has been busy for the past few weeks painting scenery for walls of the gym and a complete transformation of the familiar surroundings is anticipated.

This is the club's annual "turnabout" dance, when the girls invite the dates and buy the tickets. All senior high school and alumni girls and dates are cordially invited, with tickets available from any member of the committee.

"Airman of Week" At Fairbanks Is North Warren Boy

The 58th Strategic Reconnaissance Squadron at Eielson Air Force Base, Fairbanks, Alaska, has chosen Pfc. Jack M. Reddecliff, son of Mr. and Mrs. J. R. Reddecliff, 100 Lansing street, North Warren, as its "Airman of the Week".

He was chosen for this honorary title because of "his personality, characteristics and working abilities". Young Reddecliff is a dropsonde operator in the squadron and, through his efforts, the organization has been able to maintain its outstanding record.

The 58th Squadron, a unit of the Air Weather Service, makes regular flights to the North Pole and over Bering Sea area in search of long-range weather data. Specially modified Superfortresses are used in conducting these missions.

Pfc. Reddecliff attended Warren High School before going to Allegheny College, where he was graduated in 1950. After his entry into the Air Force in January, 1951 he was sent to Basic Weather School at Chanute Air Force Base, Ill., and was assigned to the 58th Squadron in February of this year.

WBA DINNER-MEETING

Members of West Review No. 4, WBA, will have a six o'clock tureen dinner and eight o'clock business session Thursday evening in S. F. of A. hall.

PERSONAL ITEMS

Mr. and Mrs. R. V. Gorsuch, 18½ S. Irvine street, are in Andover, N. Y., today, to attend the wedding of Erna May Smith and Earl Richardson.

Passion Week At Orthodox Church Begins on Thursday

The Passion Week observance of St. Mary's Orthodox Greek Catholic church on Route 6 between Youngsville and Pittsfield, will begin Thursday morning at 8:30 o'clock, with the liturgy. Continuing at 7:00 p. m., there will be the reading of the 12 Gospels, with vespers and matins service.

A second vespers service will be held at 7:00 p. m. Friday and at eight o'clock there will be the procession of paschal candles, or winding sheet, to the grave of Christ.

On Saturday, there will be a midnight resurrection vespers service and matins, starting at 11:30 p. m.

Sunday, which is Easter in the orthodox calendar, the Divine Liturgy with vespers will be read at 10:00 a. m., the blessing of paska following matins and the Divine Liturgy.

The Eastern Orthodox church

still observes the rules laid down by the Council of Nicea (AD 325), that the Christian Easter shall never either precede or coincide with the Jewish Passover but must always follow it. Easter, thus, cannot fall earlier than March 23 (Julian calendar) or later than April 25. The full moon used for the purposes of the Easter reckoning is the 14th day of a lunar month, according to the ancient ecclesiastical computation.

OBITUARIES

MRS. ADAM GRAEBNER

Funeral services for Mrs. Adam Graebner, of Horseheads, N. Y., were held Monday afternoon at the Lynch Funeral Home in Horseheads, with the Rev. Noyes of the Methodist church officiating, and interment following in Eorntonville, N. Y. cemetery.

Mrs. Graebner, who was 86 years of age, died Saturday morning at four o'clock.

Surviving are her husband, one son, C. B. Graebner, Grant street, Warren; and two daughters, Mrs. Clinton Bush, Horseheads, and Miss Annette Graebner, of New York City; one grandchild, Mrs. Robert Kraft; one great grandchild, Timothy Robert Kraft, of Warren; one brother, Charles Hermann, Calif.

GEORGE E. SPINNEY

Services in memory of George E. Spinney, resident of 109 West St. Clair street and well known forestry official, were held at 2:30 p. m. Tuesday at the Lutz-Ver-Milyea Funeral Home. The Rev. Leland Hine, pastor of First Baptist church, officiated.

Shipment was then made to Conway, N. H., where interment will be made in the Jackson Village cemetery. Further services will be held in the community church at Conway at 2:00 p. m. Thursday.

Here from out of town to attend the rites were Major and Mrs. Lewis C. Spinney, Cleveland, O.

FRED C. PHILLIPS

Fred C. Phillips, 605 Lexington avenue, died at Warren General Hospital at 12:15 p. m. Tuesday, following a stroke suffered last Saturday. Mr. Phillips had been active and worked as usual on Friday and his sudden passing came as a shock to all who knew him.

Born in Warren on December 19, 1871, he spent a number of years in Kane and then returned to Warren to make his home. He had been employed by the Newell Press, as custodian, for the past five years.

Surviving are his wife, Allene; two sons, Merton, of Kane, and the Rev. Albert Phillips, Concord.

N. C.; a stepson, C. H. Carter, Warren; nine grandchildren; 11 great-grandchildren; also one niece. Another son, Howard, preceded him in death in 1918.

Removal has been made to the Templeton Funeral Home, where friends will be received at the usual hours, starting at seven o'clock this evening and until 11:00 a. m. Friday. The body will then be taken to the First Church of the Nazarene, where services will be conducted at 2:00 p. m. by the Rev. John Andree. Interment will be made in the Steamburg, N. Y., cemetery.

JOHN JAMES ALLEN

The funeral of John James Allen, 46 Locust street, was held at 9:00 a. m. today at Holy Redeemer church, Father M. E. Dailey celebrating the requiem high mass. Interment was made in St. Joseph's cemetery, with the following fellow-employees of the Pennsylvania Electric Company serving as bearers: John Donovan, Harley Shane, Julius Schueltz, Harry Johnson, Steve Onufer and Carl Rotter.

In attendance from away were Mr. and Mrs. Albert Allen and family, Alexandria, Va.; Donald Allen, Miss Anna Allen, Cambridge, Mass.; Mrs. Wallay Heaton, Chicago, Ill.; Mr. and Mrs. William Schifner, Little Valley, N. Y.; Mrs. Francis Doyle, Meadville.

CONDITION IS FAIR

Warren General Hospital reported this afternoon that the condition of Mrs. Harry F. Schmidt, 6 West Sixth avenue, who was admitted on Monday after suffering a fall while in the business district, is fair and that Mrs. Schmidt had a fairly restful night. Mr. Schmidt, who has been ill with flu, was able to be out yesterday for the first time.

WORKMAN IS HURT

Ivan Beckwell, 1 Kenmore street, suffered a laceration to his right palm while at work today at the Crescent Furniture Company, at Warren General Hospital, three sutures were inserted, the hand was dressed and Mr. Beckwell was discharged.

—why do I feel
SO TIRED
SO RUN-DOWN
SO DISCOURAGED ?

Perhaps its because you fail to get your needed requirements of Vitamins, Iodine and Iron from the food you eat you feel so disheartened. What you should try, to correct this is to add your diet with a true dietary supplement.

Take FERRIZAN, the marvelous new re-constructive tonic combining Iron and Iodine with valuable B Vitamins far more effective than just Vitamins alone—that is helping so many tired run-down, discouraged folks.

Do not confuse FERRIZAN with old-fashioned Iron Tonics. FERRIZAN is the modern way—to help you get the needed valuable B Vitamins—Iron (for your blood) and precious Iodine (for your ductless glands) to correct inadequacies and help you regain and maintain a more normal healthy body.

If you feel fatigued and weary—low spirited and depressed most of the time, you owe it to yourself and your loved ones to start taking FERRIZAN today.

SGT. WILLIAM SCHAFFER, USA, above, son of Major and Mrs. Charles Schaffer, arrived in Warren today after active duty in Korea extending over a period of almost a year.

Bill, who left Warren as a draftee 19 months ago, received his basic training at Fort Dix, N. J., leaving there May 11, 1951, and arriving in Korea on May 28. Enroute home from Korea, he arrived on the West Coast, last week, and was sent to Indiantown Gap, Pa. After a 30-day leave with his parents, Sgt. Schaffer will return to Indiantown Gap where he expects to receive his discharge in July.

FRONT TAG SPACE USE IS RESTRICTED

Harrisburg, April 16—(P)—The state revenue department has some definite ideas about what should not be placed in that space left on the front of your car by the absence this year of a license plate.

Revenue Secretary Otto F. Messner issued a statement yesterday that said in effect you can't use anything which "closely resembles or can be mistaken for an official license tag."

"The chief things to be avoided," Messner said, "are obscenity, or vulgarity, any plate which has expired, or anything which is defaced."

Fire Department At Sugar Grove Buys Mobile Radio Unit

Sugar Grove, Apr. 16—The Sugar Grove Volunteer Fire Company has purchased a portable radio set which may be converted into a mobile unit, it was reported at the April business meeting of the organization, conducted by President Donald Barrett.

Reports showed the company has answered eight calls since the last meeting, one of these to the home of Dr. A. A. Grant, where a bonfire threatened to spread; another to the Graydon Franklin farm, where a grass fire was spreading near buildings; a fire on a drilling rig in the Howard Curtis oil field; and a call to assist Russell firemen at the Van Ord's last Sunday.

The fire police have been re-organized under Eugene Anderson and ten members will be sworn in by Burgess F. A. Schoonover within a few days.

Roy August, who is moving to Starbuck, resigned as vice president and active member of the company. John Kollek was appointed chairman of entertainment for the county firemen's meeting in Sugar Grove in May, and committees were named to paint the company engine room. It was reported additional uniforms have been ordered for the marching unit, this project in charge of Howard Curtis.

Jack Abbott, chairman, reported on the Thursday evening entertainment sponsored by the firemen as their annual money-raising project.

OKLAHOMA IS AGAIN JOLTED BY 'QUAKE

El Reno, Okla., April 16—P—Earthquakes jolted portions of Oklahoma today for the third time in a week.

Two distinct tremors, which struck at about midnight and 12:05 a. m., were felt at El Reno, Oklahoma City and nearby Union City. All are in central Oklahoma. Other cities in the vicinity did not feel the quake. No damage has been reported.

FATAL TO THREE—Three people standing on this street corner in New York were killed when the tank truck in foreground reportedly struck the delivery truck, at right against traffic light pole, and hurtled the sidewalk. Two autos were involved in the fatal mishap.

CHILDREN OF STARS—Comedian Ken Murray, left, kibitzes with John Barrymore, Jr., right, and Maria Riva, actress daughter of Marlene Dietrich, in New York. After appearing in a dramatic sketch on Murray's TV show, the up-and-coming children of famed parents were congratulated by Murray and others upon the individual talents they have of their own.

DIRECTOIRE LINE—Directoire in mood, Lanvin's Castillo creates a navy and white crepe dress in Paris to achieve an interesting silhouette with graduated panels of the contrasting fabric. A dandy's cane and four-cornered hat of navy straw and organza is added to complete the effect.

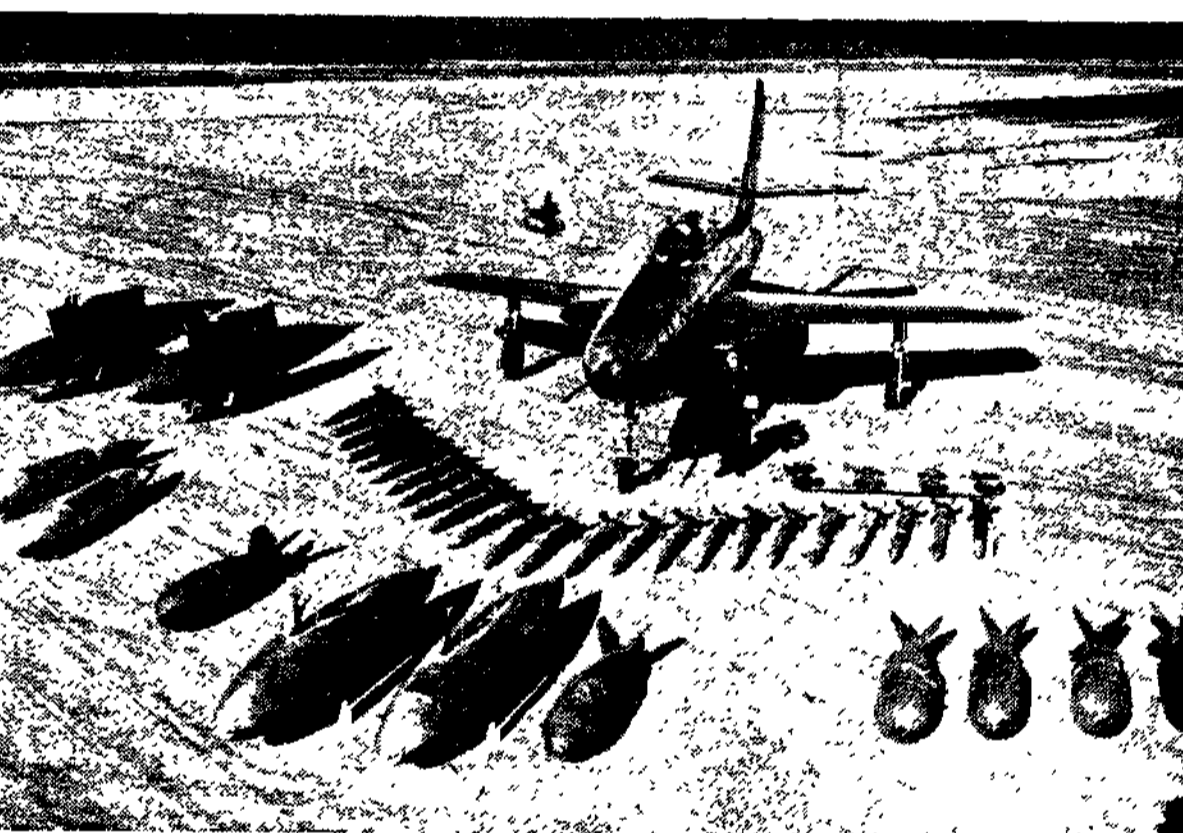

DOWN TO EARTH—After four days of wailing high in a tree-top in the Montmartre section of Paris, this cat was rescued by a French Park Department worker. The animal's happy owner was right there to receive her pet, and the silence which again prevailed brought relief to the entire neighborhood.

TANKSCHOOL FOR KOREANS

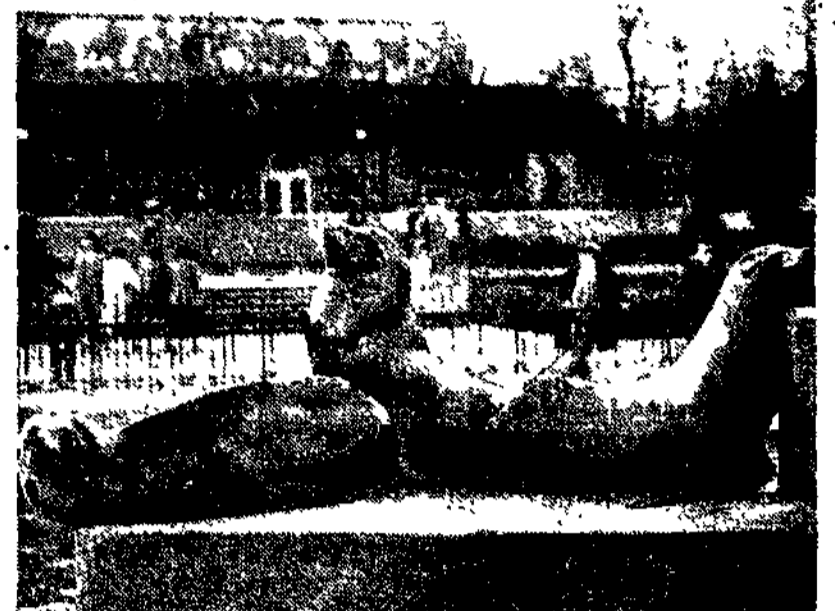

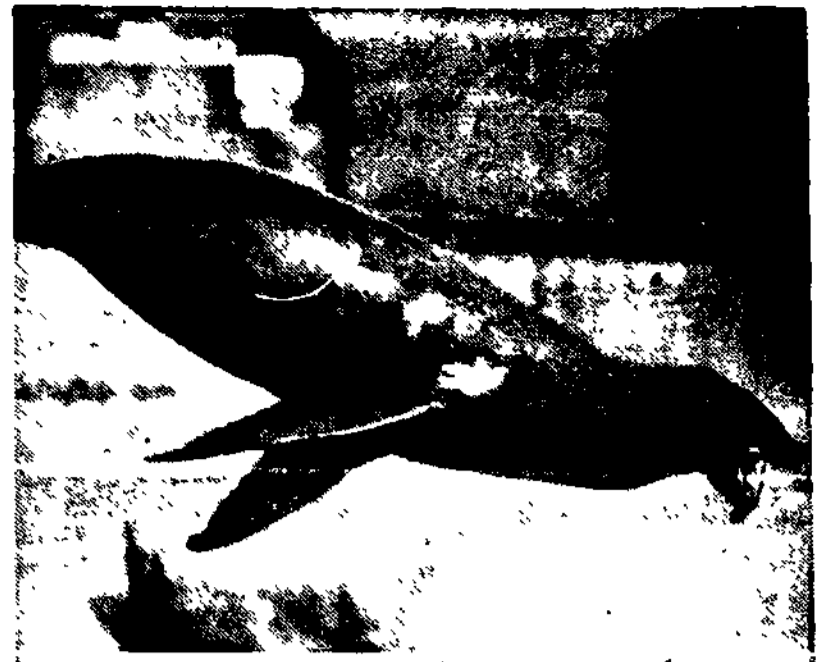

SPECIAL TUTORING—At the request of the Republic of Korea Marine Corps, a tank school has been opened on the eastern front to train select Korean leathernecks by the U. S. First Marine Division. Pvt. Kim Su Kun, top left, checks the sight of a 50-caliber machine gun during his 12-week course, and an American non-com straightens a pack on the back of a native, right, who will climb tortuous mountains to deliver ammunition. Training is hastened by the use of dummy controls, lower left, which give the feel of handling tanks until they use real ones, right.

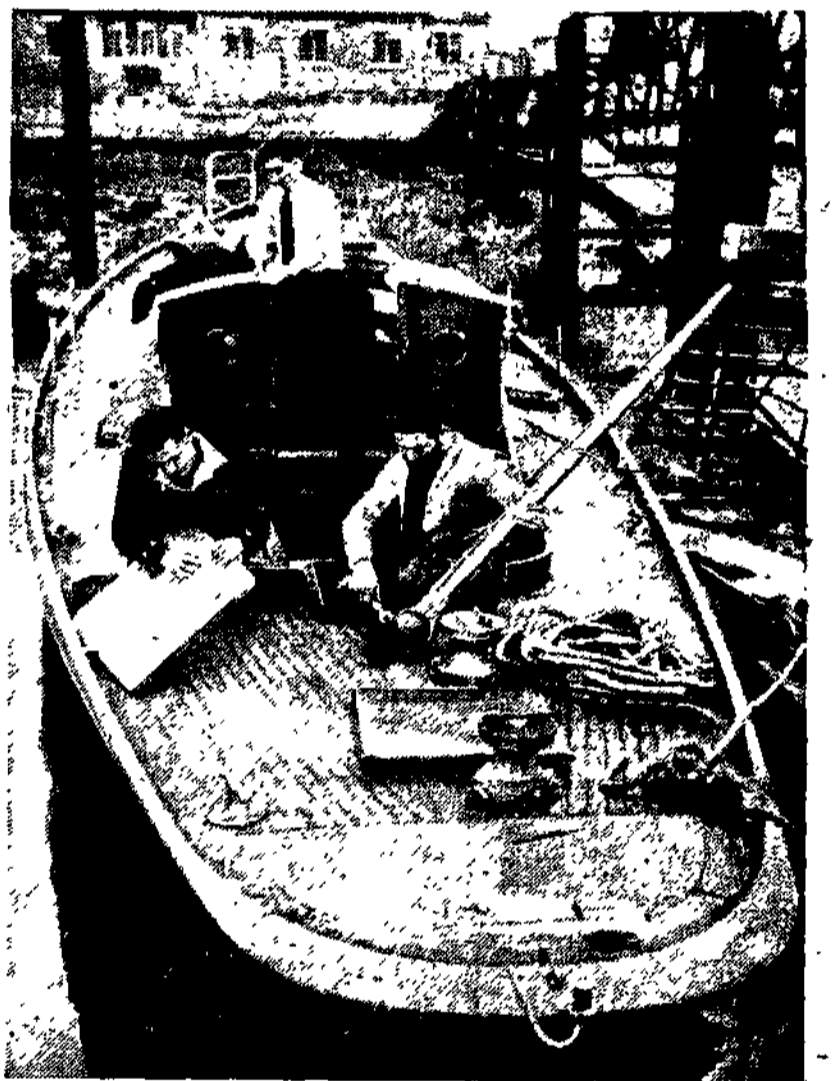

FLEXIBILITY—A pilot stands in the shadow of a Republic F-84F swept-wing Thunderjet in New York as an illustration of the emphasis placed upon versatility of fighter-bomber planes. The standard operational loads spread out on the ground are: 24 five-inch rockets; four 1000-pound bombs, right; two 230-gallon fuel tanks and two 1000-pound bombs, center foreground, and napalm tanks, left. At pilot's left are ammunition in belts for use in four machine guns.

FLURRY OF WINGS—Frightened into flight by the clatter of dump trucks unloading refuse near Chicago, hundreds of seagulls dot the sky over their feeding grounds as they wait for the noisy autos to leave.

THE SAME EVERYWHERE—A sea lion plunges through the air to make a perfect catch and demonstrate his fish-catching accuracy at the London, England, Zoo, above, where he performs the feat regularly for enthralled visitors. The three seals in the lower photo are residents of New York's Central Park Zoo. While grouped together to enjoy the weather, they resemble a statue.

ALMOST READY TO GO—The 26-ton yacht Marabu, a former German craft, is made ready in Gosport, England, for a trip to Newport, R. I. The boat will take part in the 600-mile Newport-Bermuda race in June. Doing the repair work are Midshipman J. Scott Hughes, rear, engineer artificer Phillips, left, and stoker mechanic Harry Hogan. The small crew will sail the yacht across the Atlantic to its U. S. destination.

UNACCUSTOMED AS THEY ARE—Two British showgirls are out in the afternoon sun at Miami, Fla., between some palm trees. Lyn Allen, right, of Manchester, spreads some sun-tan lotion on Margaret Martin of London. Since the girls work at night, they sleep through the morning and are not as yet too accustomed to anything but the pale rays of a late afternoon sun.

Short Figure Finds Style

For a spruce look on Mother's Day, here are three suits designed for the shorter-than-average woman. Suit in cadet blue flannel (left) is softly tailored, correctly proportioned for the shorter woman. Jacket has petal lapels, adjustable cuffs. Worsteds flannel (center) makes suit in gray that has detachable pure silk surah polka-dotted over collar and matching jacket lining. A slim, six-gore skirt has two back-panel inverted pleats. Beige flannel suit (right) has two-button tuxedo front with tail-folds overlay. Straight, four-gore skirt is eased for walking by center back kickpleat. All three are designed to slim down the short, rounded woman and give her added height.

JACOBY ON BRIDGE

EVEN EXPERTS MUST GUESS AT TIMES

By OSWALD JACOBY

Written for NEA Service
From Miami, where an important bridge tournament is being held all this week, comes a letter from a non-expert.

"Please criticize the bidding of the accompanying hand," he writes. "All four players in the game are retired businessmen, and

"It looks bad for West, but the truth is that nobody at the table had any clear idea of what contract could be made and what couldn't. We were playing blind man's bluff instead of bridge, and this disturbs us."

"How would the experts handle this type of hand?"
If the experts got off to a bad start, they would probably have to do their share of guessing at the end. An expert West would pass five spades, however, since he would foresee that a runout to six clubs would give him a headache.

The principal lesson for a non-expert comes at North's first chance to bid. If he acts wisely at that time there will be no more guesswork in the bidding.

South's opening bid of three clubs (not a bad idea, despite the fact that the hand is likewise a legitimate opening bid of one club) indicates a long, strong club suit in a hand that has very little defensive strength. Such a bid usually shows less top-card strength than is required for a normal opening bid of one.

North looks at his own hand and sees that his own defensive strength consists of a possible spade trick. (He can hardly count the ace of clubs when South has announced a very long club holding, and when North also has four

in the suit.) In short, North can see at once that his side is practically defenseless against the opponents but that his side ought to have a good play for ten or eleven tricks at clubs.

North should therefore jump at once to five clubs as a combination shot. Such a bid will surely keep the enemy out, and there will probably be a good play for the contract.

none of us will ever be an expert. Despite our limitations, we try to play seriously, and this hand has upset us.

"Six diamonds was set, of course, since South was bound to win two heart tricks if he just sat tight and waited for the tricks to fall into his lap. But six clubs would have been set if West had only passed instead of running out to six diamonds. And five spades would have been set, if West had passed instead of doubling.

Lions Make Plans For Visit of Mobile Unit May 21-22-23

"And Only Four Came Home" was the title of an impressive safety movie shown Tuesday at the meeting of the Warren Lions Club in connection with the Junior Chamber of Commerce Safety Week campaign. Gordon Elmquist, speaking for the Jaycees, outlined the other points of their campaign briefly and stressed the importance of everyone contributing to the effort. R. A. McGroder assisted Mr. Elmquist in the presentation of the film. Everyone present left the meeting much impressed by what he had seen and heard.

Only routine matters were discussed in the regular business session of the club, but at the meeting of the Warren County T. E. Society which followed, it was reported by the secretary that over 3,000 applications for free chest x-rays have been received from Warren's many industries. This gratifying number does not include the general public, also urged to have free x-rays taken while the mobile unit is in Warren May 21, 22 and 23.

The T. E. Society was then adjourned and the Lions members dismissed in the usual manner.

Severe cold during the winter months is very essential to many flowers of the north temperate zone.

Check Wards Every-day Low Prices for BEAUTIFUL BROADLOOMS

Newest fashions in the carpet world. Note rich "texture weaves" with designs woven into the carpet-pile itself. You can feel as well as see it. Instead of wool pile, the newer weaves are scientifically blended of wool and carpet rayon—for clearer color, durability, richer pile. All from famous mills; priced considerably less than comparable qualities with nationally advertised labels. Wards huge purchases, economical operation make this saving possible. Seamless 9 and 12-ft. widths cut to rug or wall-to-wall size.

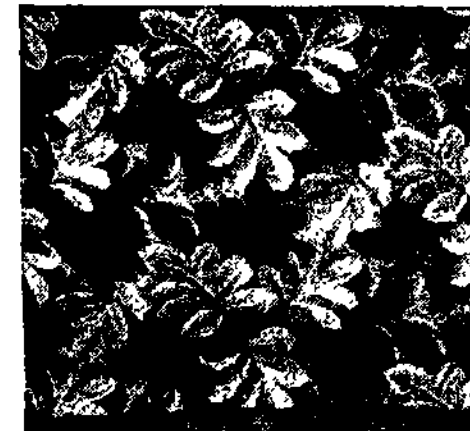

DURASTAN—ANSWER TO "YOUNG BUDGETS"

Floral bouquet—one of many smart patterns far more expensive-looking than the price. Foliage and damask designs, too. Wool axminster. Sq. yd., 6.40

POINTSETTE—SMART TAPESTRY TEXTURE

Rich Wilton weave—looped yarns woven at two levels in tapestry-like beauty. Wool, carpet rayon. Gray, beige, rose or foam green. Sq. yd., 11.60

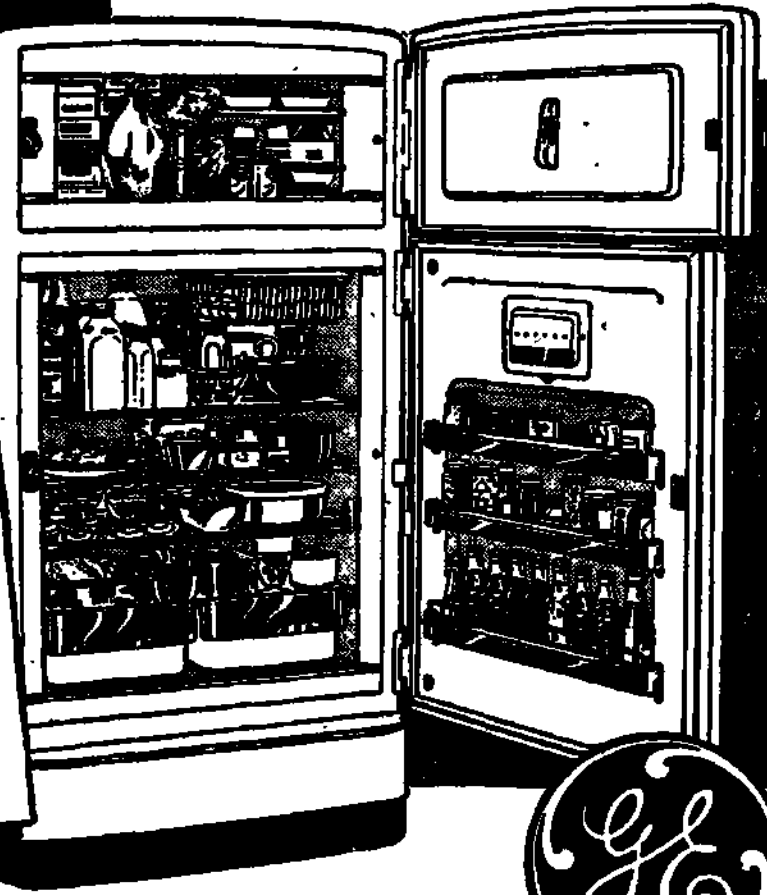

TONELLE—DURABLE, RICH PILE—LOVELY PATTERNS

New "Mint Leaf" design. See handsome damasks and florals, too. Deep pile—luxurious underfoot. Long-wearing wool and strong carpet rayon. Sq. yd., 7.50

CARS TAGGED

Police this morning tagged 18 cars found parked on paved streets between three and six a. m. Another car, parked on the sidewalk off Conewango avenue, was also tagged when nearby residents complained.

SUPPLIES DELIVERED

County Commissioners Seavy, Johnson and Olney are today engaged in delivering the first batch of election supplies in the western portion of the county in preparation for next Tuesday's primary election. Polls will be open on that day from 7 a. m. to 8 p. m. eastern standard time.

DINNER TONIGHT

About 100 garagemen and employees are expected to attend a dinner at Stonham Community House this evening at 6:30 o'clock when new regulations concerning semi-annual inspection of cars will be explained by Pvt. Paul Dell, of the Warren station of state police. The next inspection period begins May 1.

MINOR ACCIDENTS

Police were called for two minor accidents yesterday afternoon. Neither resulted in any injuries. Cars collided at Water and Pennsylvania about 2:30 p. m. with \$50 total damage; and the second accident occurred at Fifth and Market about 10 minutes later. \$75 was the estimated damage. All hands were covered by insurance, police said, and no formal reports were filed.

ACCIDENT REPORTED

William E. Reist, Jackson street extension, reported to city police that on Saturday afternoon, about four o'clock, his car struck Charlotte Aaron, 9, 114 Redwood street, as the youngster was crossing the street at the east end of the Third avenue bridge. She was taken to the emergency ward of Warren General Hospital but was discharged as uninjured. Reist told police that the youngster was one of three who darted into the street from behind the end girder of the bridge, and that he did not see them in time to stop.

New Year's Twins, Four Months Old On May First, Continue to Gain in Weight

"They're just fine, and I'm holding one of them in my arms right now," said Mrs. Shirley Richards of Youngsville, mother of the famous 1952 Richards twins as well as little Linda and Kathy Richards, when a Times-Mirror reporter called her today to ask about the little family. It will be well remembered that Mrs. Richards, the widowed mother whose twins were first to be born in the United States this year, thereby winning the Toni prize, and her four little girls are beneficiaries of The Richards Fund of about \$5,000 which was contributed for their aid and is being administered by a committee of interested Warren county citizens.

Mrs. Richards, who has had household help until lately, is now "on her own" and admits that the little Richards apartment is a scene of intense activity from morning to night, what with continual baby feeding and constant laundering. She has entirely recovered from a severe burn suffered a few weeks ago when she fell against the kitchen stove injuring one arm.

The twins, who will be four

months old on May 1, are gaining in weight. Cynthia tips the scales at 11 pounds and 14 ounces today while Deborah weighs 11 pounds and 11 ounces. The older sisters are looking forward to birthdays. Linda will be three this coming Saturday, April 19, while Kathy will be two years old on May 1.

Mrs. Richards came to Warren last week to visit Mrs. J. G. Kiernan, whose letter about the family stimulated plans to establish The Richards Fund, who was a surgical patient in Warren General Hospital. Mrs. Kiernan, who is a member of the administration committee, is now recovering at her home, 1301 Pennsylvania avenue, east.

The following gifts for The Richards Fund have been received during the several weeks since an acknowledgment has been made: A. C. Kirberger, \$10.00. The Toni Co., \$25.00. American Legion Post 135, \$10.00. Harlow Crosby, Annapolis, Maryland, \$2.00. J. & M. K. Irvine, \$5.00. Warren Power Plant Activities Assoc., \$6.50. Girl Scout Troop 27, \$5.00.

Culver City Councilman

Edward L. Juline, 36-year-old son of Mr. and Mrs. George Juline, 215 Water street, has been elected to the city council of Culver City, Calif., according to word sent his parents following the April 8th municipal elections. Resident of the western city since 1946, young Juline was born in Warren and is a graduate of the local high school. Many will still recall his abilities in the sports fields, including football, basketball and track. He is a brother of Jane Juline MacDonald, a member of the business office staff at the Times-Mirror.

Graduate of UCLA, where he received a bachelor of science degree in accounting, he served there as president of the Lutheran Students' Association, was an ROTC member and, during his junior and senior years, was associated with the accounting department of Douglas Aircraft.

Enlisting in the Marine Corps in 1942, Juline was commissioned a lieutenant in 1943. Assigned as fighter director-air controller, 2nd Marine Air Wing, he saw action at Eniwetok, Engebi, Okinawa and Ie Shima, receiving a Presidential Citation, three battle stars, and wearing several theatre ribbons.

After leaving the Marines in 1946, he joined the staff of Peat, Marwick and Mitchell, international CPA firm, but in 1947 opened his own PCA office in Culver City.

In 1950, he was elected to the city's board of education, serving until July, when he was granted temporary leave to return to active duty with the 1st Marine Air Wing at the outbreak of Korean hostilities. After participating in Marine action at Inchon, Seoul, and Wonsan, and in the evacuation of Hanchung and Rungnam, he returned to the States in December, 1950, and was released with the rank of captain.

Mr. Juline is past secretary and third vice president of Culver City Lions' Club; past president of the Men's Brotherhood and has served as councilman of Grace Lutheran church. He is also a member of Community Post 49, American Legion.

His wife, the former Enid Lilly, is active in PTA affairs and work of the Red Cross Chapter. The Julines, with their three children, Eddie, Eric and Ellen, live at 3459 Fay avenue.

Birth Record

In Kansas

Mr. and Mrs. Oscar Hammerbeck have received word of the birth of a daughter to Sgt. and Mrs. Jack Hammerbeck on April 8 at the

base hospital at Forbes Field, Topeka, Kans. The young lady tipped the scales at seven pounds and three ounces and has been named Jackie Lynn. Her mother is the former Peggy Cuddy, of Spokane, Wash.

Murder is Forgetful

BY WILLIAM G. BOGART

AP Newfeatures

Chapter 44
THEN Homer, the butler, was in the room also, and Nick Walker again, ran running off his face. They carried Nancy out between them. There was the sound of a car motor running outside the main entrance to the front hall.

Doctor Clark was saying "You'd better come with me, Karen," his features were set and grim. "We'll get her to the hospital."

Johnny followed them into the hall.

He asked Clark urgently, "What do you think, Doc?"

The doctor's voice was low as he spoke. The words were for Johnny's benefit only. "She hasn't a chance. I doubt if she lives until we get her."

Doctor Clark paused just an instant to look steadily at Johnny Saxon. "Perhaps," he said softly, "it's just as well. This clears things up without a mess of publicity for the family. No one need ever know about her and Martin Smith. As for shooting herself accidentally, we can all vouch for that."

"Yes," said Johnny. "Key was bringing her mother out of the living room. She said 'She'd better be down. She's been through so much.' Key's own voice was trembling."

Johnny took Irene's arm. "I'll take her upstairs," he said quickly. He looked with concern at Key's young face. "Now stop thinking about things. You're the one I'm worried about. It's finished now." He called to Moe, still in the living room. "Fix Key a drink. I'll be right down."

He went up the stairs with Irene Smith. He accompanied her into the blue and white bedroom. She was not nervous now. She was calm and thoughtful.

In the room, Johnny looked at her and said quietly, "That was about the same way it happened at the gun club that Saturday night, wasn't it?"

"Yes," she said. "You remember everything now?"

"Everything." She was very calm. "The lights were turned off that night. The gun was ringing. Nancy hit the gun. I grabbed her and we struggled over it, just like a moment ago."

Johnny said, "In the darkness, you shot him."

"Yes," Irene firmly stated. "I shot him. I loathed him. Even poor Key was finding out the things he did. I'd warned him I couldn't see Key hurt any more."

Johnny said, "But Nancy's always taught me to do it."

"I think so," Irene said quietly. "She taught me to do it. Later, I told her we had to get him out of there. I said it appeared like an accident. She had come there with the gun. She intended to kill Martin. She was frantic afterwards, and utterly helpless."

"I told her to go back to the house through the woods path. Putting Martin in the car. I don't know how I did it. I drove down to 35A. I left him there in the field alongside the road. When I got back in the car, I felt faint. I didn't know what I was doing. I remembered driving off the road. There was a crash. I don't know. But I think my head struck the steering wheel."

"It did," explained Johnny. "She made a gesture with her hands. After that, I remember a thing. You didn't remember a thing. You said she had planned to kill him. Yet if you never regained your memory she was comparatively safe."

IRENE SMITH sat down. She looked tired. Yet a great burden seemed to have been lifted from her, and she was calm and relaxed.

She told Johnny, "The whole story—all except the very ending—is all written down in my manuscript. Perhaps a jury would believe it. Maybe they wouldn't. Whatever, you want to tell them."

"There's no need for that," Johnny said.

Irene looked at him quickly. "They'd free you anyway. Knowing what he had done to you. What both of them had done to your life. They'd never find you guilty. You've got a new life ahead of you now. You've got Key, too. No one knows anything, except you and me. Why not leave it that way, and start anew?"

"And the manuscript?" asked Irene.

THE END

It makes you comfortable all over

BUICK engineers have a habit of getting at the bottom of things.

So they're not content to stop with putting beneath you cushions that are luxuriously soft and deep.

They also put big, soft, deep coil springs between you and all four wheels—and big, soft tires between the wheels and the road.

But real riding comfort calls for more than cushioning up-and-down jolts and jars.

There's end-sway and side-roll and "wander" to be controlled. There's sure-footed balance on curves. Not to mention the importance of having a frame stout and husky enough to make the whole car feel safely solid.

So Buick engineers have gone through the list

—come up with a ride that cost a cool million dollars and more for special engineering, tooling and components.

Does that cover Buick's comfort story? It certainly does not.

There's the comfort of driving a car that instinctively holds the road—the comfort of ample room and a wide-open view of the world around you—the comfort of fabric colors that please the eye and fabric textures that please the touch—and the effortless smoothness of Dynaflo Drive.*

Then there's the mental comfort of bossing power mighty enough to meet any demand you make upon it in emergency—8-cylinder power—high-compression power—valve-in-head power—Fireball power, that makes you proud

of the miles you get from a gallon of gas.

And maybe you'll also find comfort in knowing that this great automobile can be yours at a price that is still just a small step above what's known as "the low-priced three."

On top of all this, driving a Buick's a barrel of fun. Why not drop in tomorrow and ask us to prove it?

Equipment, accessories, trim and models are subject to change without notice. Wheel covers standard on ROADMASTER, optional at extra cost on other Series. White upholstery optional at extra cost when available. *Standard on ROADMASTER, optional at extra cost on other Series.

Western Pennsylvania Council Of Foremen's Clubs to Meet At Warren YMCA Saturday

The YMCA and the Warren Foremen's Club will be hosts this Saturday to a newly-formed Western Pennsylvania Council of Industrial Management Clubs for an all-day meeting.

Representatives are expected from the Industrial Management Clubs associated with the following

YMCA's: Pittsburgh, Butler, Erie, New Brighton, New Kensington, Tarentum and Warren. The program will start at ten o'clock with registration at the YMCA, the formal sessions beginning at 10:30 when Rev. Leland D. Hine, pastor of the First Baptist church, will lead the devotional period. Warren will be represented at this

Council meeting by Carl Jones, president of the local Foremen's Club, Don Anderson, secretary, and Dan Walton, executive secretary, with one more delegate still to be named.

Included in the business of this Council meeting will be the adoption of a constitution for the new organization and presentation of a new program idea for group discussions as well as election of officers. The meeting will be chairmaned by R. W. Williamson, president of the Chartiers Valley Foremen's Club of Pittsburgh, with Clyde W. Sholtzberger of Harrisburg, associate secretary of the State YMCA, acting as secretary.

NEW CANCER WEAPON — Rotation radiation, a new method for treating deep-seated cancer developed with American Cancer Society research funds, is demonstrated at the University of California. A technician prepares the "cure" of a powerful x-ray beam while another technician "aims" for the patient. In use, the chair is rotated while the x-ray shoots its cell-destroying rays into the cancer. Surrounding tissues, receive only a fraction of radiation because of the rotation while the center of the target gets the maximum effect.
